

NOTICE OF RECOMMENDATION OF INTENDED DECISION

RFQ_Defensive Tactics Room_St. Petersburg College

Request for Quote to resurface the Defensive Tactics Lab Room was issued on December 15, 2015. It was emailed directly to (7) vendors and posted on the College's Purchasing website. An additional vendor was added to the list because of the posting. On January 8, 2016, we issued Addendum #1 answering 15 questions, and Addendum #2 answering 1 question received by the specified date. Addendum #3 was issued on 01/11/16 providing an answer to a question received later. On January 14, 2016 the (3) responses received were opened at 2:05 PM by Karen Reynolds, Purchasing Manager and recorded by Kimberly Morrow, Sr. Administrative Specialist. Based on the responses received, and the ability to meet all requirements specified in the RFQ, the College intends to recommend Zebra Athletics as the recipient of the project. The final budget modification will be sent to the State for review/final approval. The anticipated approval time for this will take 4 weeks. Based upon the information received from the State, the College will either move forward with a Purchase Order or re-evaluate the project
