3. PREPARATION OF BIDS:

A. All information shall be printed in ink, typewritten, or produced by computer. Mistakes may be crossed out and corrections inserted before submission of your bid. Corrections shall be initialed in ink by the person signing the bid. St. Petersburg College will not be responsible for errors or omissions made by the vendor in determining the bid price to the College.

B. Corrections and/or modifications received after the due date and time specified will not be accepted.

C. This project will be performed in phases dependent on affected air handling unit zone. BID TENDER/CONTRACTOR'S QUALIFICATION STATEMENT must display cost per phase.

D. It is mandatory that all bids are manually signed by an authorized officer of the vendor.

4. PRE-BID MEETING: Not required. If anyone would like to visit the site please contact Chris Dixon, Site Supervisor.

5. SUBSTITUTIONS: Attention is called to the fact this project requires Prior Approval for Substitution Requests.

6. AWARD: A decision by the College regarding a bid award will be made after determining what is the lowest price and in the best interest of the College. The right is reserved by the College to reject any or all bids and to waive any technicalities or informalities in bids received. **The College reserves the right at any time, including before or after the notice of an award, to withdraw this Invitation to Bid if so doing is deemed to be in the best interests of the College.**

7. BID REJECTION: No bid shall be considered if the bidder fails to comply with the terms and conditions of the bid form, fails to meet minimum qualifications as detailed in the Contractors Qualification Statement, or the procedure for submitting bids as authorized in official advertisement and other documents pertaining to the bidding as authorized by the Board of Trustees or its designee.

8. QUALIFICATION OF BIDDER: In order to be qualified to bid, all bidders must meet minimum qualifications as detailed in Contractors Qualification

Statement on page 16. Verification of the qualifications and subsequent bid rejection based on insufficient qualifications shall be made at the sole discretion of the owner.

9. PROTEST: Specifications—With respect to a protest of the terms, conditions, and specifications contained in the Invitation to Bid, the notice of protest shall be filed in writing within 72 hours after the posting of the Invitation to Bid. A formal written protest shall be filed within 10 days after the date the notice of protest is filed. Failure to file a notice of protest or failure to file a formal written protest within the time prescribed in section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

10. PROTEST: Intended Decision— A notice of intended decision for a proposal award will be electronically posted on the Purchasing Department web site at <http://www.spcollege.edu/purchasing>. Any person who is adversely affected by the intended decision shall file a notice of protest within 72 hours after the posting of the notice of intended decision. The formal written protest shall be filed within 10 days after the notice of protest is filed. Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under chapter 120, Florida Statutes.”

Vendors must submit a business card with an email address to receive notification of posting of intended decision/decision.

11. CHANGES OR MODIFICATIONS TO THE SPECIFICATIONS OR CONDITIONS: Any changes to the specifications or conditions herein shall be in the form of a written addendum issued by the Facilities Services Department. **Any oral statement or representation by any representative of the College, changing or supplementing the Invitation to Bid or any condition thereof, is unauthorized and may not be relied upon.** An addendum is incorporated into the specifications and/or conditions as of the date of issue.

12. QUESTIONS: If you have questions about the terms, conditions and/or specifications, email them to Billie Jo Kachelriess, Facilities Project Coordinator, at kachelriess.billiejo@spcollege.edu

13. ADDENDA: In the case of a project related question or changes to the specifications or conditions, an addenda will be mailed or delivered to all who are known by the Facilities Services Department to have received a complete set of Bidding Documents. Copies of Addenda will be made available for inspection and kept on file at the Facilities Services Department. No addenda will be issued

later than two (2) business days prior to the date for receipt of Bids. Each Bidder shall ascertain prior to submitting his bid that he has received all Addenda issued, and he shall acknowledge their receipt in his Bid.

14. CLARIFICATIONS: The College reserves the right to request clarification of information submitted and to request additional information of one or more bidders if needed.

15. SCHEDULE: Since St. Petersburg College intends to continue classes and occupy the construction area, this project shall be scheduled in a manner as to not disrupt classes or owner occupied spaces and minimize the length of time any one spaces(s) will be under renovation or construction.

Therefore, the bidder shall prepare the Bid to allow for some construction to occur after regular construction hours and on Saturdays, Sundays, and legal holidays at no additional cost to Owner. The bidder must acknowledge that any work disrupting the continuous occupancy or causing disruption/disturbance of any classes/spaces will not be permitted.

16. TIME OF COMPLETION: All work must be completed after the receipt of purchase order, between sessions, July 25th through August 12th, 2016. Site coordination will be made through Chris Dixon, Facilities Supervisor.

Overtime cost to perform any work after regular hours or on Saturdays, Sundays, or legal holidays, made necessary to meet the required time schedule or as required to work around class schedules and to ensure that classes are not disrupted or disturbed, shall be at the expense of the Contractor(s) and/or sub-contractor(s).

It is hereby understood and mutually agreed, that the contract time as stipulated by the Bid Documents constitutes a reasonable time period in which to complete the work and achieve a state of substantial completion, final completion and Owner occupancy for the project, and that, at the end of such time, the entire project shall be completed and ready for unrestricted occupancy and use by Owner.

17. SHOP DRAWINGS, PRODUCT DATA, AND SAMPLES: Shop drawings, product data and samples shall be dated and contain: name of project, description or names of equipment, materials and items, and complete identification of locations at which materials or equipment are to be installed. Contractor shall highlight and reference product data and shop drawings for ease of review. Contractor shall verify and coordinate the information contained within such submittals with the requirements of the work and of the Contract Documents. The shop drawings shall be reviewed by the Mechanical Engineer

and the College. Failure to do any of the above shall result in rejection of the product data, shop drawing, and sample.

The contractor shall be fully responsible for any and all damage to property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, irrigation system, television cable system, telephone cable system, fiber optic system, computer network system, fire alarm system, emergency lighting system and emergency generating system and utilities not designated for removal or replacement in the course of construction, whether or not it was shown on drawings or whether or not it was identified and located by college personnel or the architect.

18. PERMITS: All work must comply with the Florida Building Code and/or National Electric Code. All work is to be permitted and inspected through the St. Petersburg College Building Code Official. The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the performance of the contract.

19. FIRM BIDS: Any bid may be withdrawn until the date and time set for the submission of the bids. Any bid not so withdrawn shall constitute an irrevocable offer, for a period of ninety (90) days, to sell the College the products/services set forth in these specifications, or until one or more of the other bids have been awarded.

20. ASSIGNMENTS: The successful vendor shall not assign any interest in the bid and/or contract and shall not transfer any interest in the same without prior written consent of the College.

21. SCHEDULED PAYMENTS: Partial payment request will be granted upon percentage of completion set by Contractor, Engineer, and Owner.

22. PUBLIC ENTITY CRIMES: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid/bid on a contract to provide any goods or services to a public entity (the College is a political subdivision of the State of Florida), may not submit a bid on a contract with a public entity for the construction or repair of a public building or a public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list.

23. LEGAL REQUIREMENTS: Applicable provisions of all federal, state, county and local laws and of all ordinances, rules and regulations shall govern development, submittal and evaluation of all bids received in response hereto

and shall govern any and all claims and disputes which may arise between person(s) submitting a bid response hereto and the College by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and a lack of knowledge by any bidder shall not constitute a cognizable defense against the legal effect thereof. The laws of the State of Florida shall govern any contract resulting from this Bid.

24. DISCRIMINATORY VENDOR'S LIST: An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a Contractor, supplier, subcontractor, or consultant under any contract with any public entity, and may not transact business with any public entity.

25. PREFERENCE (IN THE CASE OF TIE BIDS):

Drug Free Workplace Certification will be considered in case of a tie bid.

26. CONFLICT OF INTEREST: Any award hereunder is subject to Chapter 112, Florida Statutes, regarding conflict of interest. All vendors submitting a bid/proposal must disclose the name of any officer, director, trustee, or agent who is also an employee of the State of Florida or any of its agencies or political subdivisions (the College is a political subdivision of the State). All vendors submitting a bid/proposal must disclose the name of any College employee or employee's spouse or child who is an officer, partner, director, or proprietor or in which such officer or employee or the officer's or employee's spouse or child, or any combination of them, who has an interest in 5% or more in the vendor's firm or any of its branches or dealerships. In accordance with Section 112.313(3), Florida Statutes, no College officer or employee acting in a private capacity may rent, lease, or sell any realty, goods or services to the College, unless the transaction is otherwise exempted under Section 112.313(12), Florida Statutes. Therefore, any vendor who is a College employee or who has an interest in the vendor's firm, and the transaction is not otherwise exempted, cannot contract with the College to provide the services set forth in this ITB.

27. COLLUSION/DISCLOSURE Anti-collusion statement must be signed and notarized in order to be considered for a bid. Vendor's bid must include a properly executed statement certifying that:

- 1) Vendor's proposal is made without previous understanding, agreement, or connection with any person, firm or corporation making a proposal for the same item(s) and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action; and
- 2) No member of vendor's ownership, management or staff has a vested interest in any aspect or department of the College.

28. EQUAL OPPORTUNITY/EQUAL ACCESS: All work on this project will be carried out in compliance with the College's commitment to the concept of equal opportunity; that is, there will be no discrimination on the basis of race, color, religion, sex, age national origin, marital status, or against any qualified person with a disability. Recognizing that sexual harassment constitutes discrimination on the basis of sex, the College shall not tolerate such conduct.

29. SCHEDULE OF ITEMS REQUIRED PRIOR TO FINAL PAYMENT: Upon completion of the Work under this Contract and before final payment will be issued; the Contractor shall deliver to the College the following:

1. Preparation of punch list by Contractor.
Contractor, along with his subcontractors, shall make an inspection of the site and prepare his own punch list of all items to be corrected and completed.
2. Correction of each punch list item by Contractor.
3. Preparation of final punch list by Contractor.
 - a. When contractor considers work has reached completion, has corrected and completed work on original punch list and has prepared his own final punch list, contractor shall submit written certification that contract documents have been reviewed, work has been inspected, and that work is complete in accordance with contract documents and is ready for engineer and owner inspection.
 - b. The contractor shall notify the owner a minimum of seventy-two (72) hours prior to date requesting inspection.
4. Inspection of all corrective items by Contractor, Engineer and Owner together and to establish substantial completion.
5. Final inspection of all punch list items identified during substantial completion Inspection.
6. Complete set of "Record" drawings shall be provided electronically on CD, as well as three (3) hard copies, upon contract completion.
7. Submit Operations and Maintenance manuals for equipment included in the contract.

- a. The contractor shall provide with the Operations and Maintenance manuals, a directory listing names, addresses and telephone numbers of contractor and subcontractors.
- b. The operation and maintenance manual shall be arranged by specification division and section(s). For each specification division and section(s), give names, addresses and telephone numbers of subcontractors and suppliers.
- c. The manual shall at minimum contain:
 - 1. Appropriate design criteria
 - 2. List of equipment
 - 3. Parts list
 - 4. Operating instructions
 - 5. Maintenance instructions, equipment
 - 6. Maintenance instructions, finishes
 - 7. Shop drawings and product data
 - 8. Warranties
- 8. Operator Instructions: Require each installer of systems, requiring continued operation maintenance by owner's operating personnel, to provide on location instruction to owner's personnel sufficient to ensure safe, secure official non-failing utilization and operation of systems.

The engineer and owner shall be informed of specific arranged time for operator instructions and shall have the option to attend.

- 9. Final inspection and acceptance by SPC Building Official or his representative.

30. CLEANING: Volatile waste shall be stored in covered metal containers, and removed from the premises daily. Clean-up and disposal operations shall be conducted to comply with local ordinances and Anti-Pollution Laws. Burning or burying of rubbish and waste on the Site is not permitted. Disposal of volatile fluid waste in storm or sanitary sewer systems, or into streams or waterways is not permitted. Hazardous materials shall be stored and disposed of only as

permitted by law and shall be properly and legally removed from the premises prior to the completion of the Contract.

CLEANING DURING CONSTRUCTION:

- A. The Contractor shall oversee cleaning by the various trades and ensure that the building and grounds are maintained free from accumulations of waste materials. The premises shall be kept free from the accumulation of waste materials or rubbish at all times, which may require daily cleaning.
- B. The Contractor shall provide suitable containers on the Site for collection of waste materials and rubbish. Such containers shall be emptied at regular intervals and the waste disposed of in a legal manner.
- C. The Contractor shall not, in any case, use the Owner's trash facilities.

FINAL CLEANING:

- A. At completion of the Project, and just prior to Final Acceptance, the Contractor and Owner shall conduct an inspection of the entire Project. Prior to conducting this inspection the Contractor shall clean, or re-clean, entire areas exposed to view to normal level for "first class" maintenance/cleaning of building projects of a similar nature, as needed to produce a "clean" condition as judged by the Owner. The Contractor shall at minimum:
 - 1. Remove grease, dust, dirt, stains, temporary labels, fingerprints, non-permanent protection and other foreign materials from interior and exterior surface.
 - 2. Repair, patch, and touch-up marred surfaces to match adjacent finishes.
 - 3. Broom clean paved surfaces, clean and rake site, polish glass and clean other exposed site finishes.
 - 4. Clean equipment and fixtures to a sanitary condition.
- B. The Contractor shall maintain cleaning until the Project is occupied by the Owner.

- C. The Contractor shall remove all his waste materials and rubbish from and about the project as well as all tools, construction equipment, machinery and surplus materials.
- D. The Contractor shall supply their own cleaning equipment such as vacuum cleaners, brooms, and rags.

31. All bidders are put on notice that this document SPC PROJECT #1707-L-16-8 Library Renovation, Health Education Center; and any Addenda thereto will be the basis for any purchase order that may arise as the result of this bid, and all terms and conditions of this bid are incorporated into any such purchase order.

32. Indemnification/Hold Harmless: The successful vendor shall indemnify, defend, and hold harmless the College, its officers, agents, and employees from any and all claims, demands, suits, actions, proceedings, losses, costs, and damages of every kind and description, including attorney's fees and/or litigation expenses, through appeal, which may be brought or made against or incurred on account of loss or damage to any property or for injuries to or death of any person, caused by, arising out of, or contributed to, in whole or in part, by reason of any act, omission, professional error, fault, or mistake of successful vendor, its employees, agents, contractors, or anyone directly or indirectly employed by any of them in connection with or incident to the performance of services or deliverables provided, regardless of whether or not it is caused in part by a party indemnified hereunder.

If any and all claims against the College, and/or its officers, agent(s) and employees are by any employee of the Vendor, or anyone directly or indirectly employed by any one of them or anyone for whose actions any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Vendor or any subcontractor under Worker's Compensation Acts, disability benefit acts or other employee benefit acts.

33. Governing Law/Jurisdiction: This Agreement and all transactions governed by this Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Florida without regard to principles of conflicts of laws. In the event of any legal or equitable action arising from, growing out of or relate to this Agreement, the parties agree that the jurisdiction and venue of such action shall lie exclusively within the courts of record of the State of Florida located in Pinellas County, Florida, and the parties specifically waive any other jurisdiction and venue.

34. Right of Offset: The College shall be entitled to offset against any sums due the successful vendor for any expenses or costs incurred by the College, or damages assessed by the College concerning the successful contractor's non-conforming performance or failure to perform under the terms of the bid.
