Question(s) received by 04/21/21

RFP SPC-08-20-21 Third Party Evaluation Services

U.S. DOE Title III – Strengthening Institutions Program

Posted April 12, 2021

1. The RFP states that responders **MUST** have proven experience evaluating Title III grants. Does that mean that it is part of the point total or that any proposer without Title III will automatically be eliminated from consideration?
 - a. SPC is seeking organizations who have had previous experience as an evaluator of Title III grants. While those without experience will not be automatically eliminated from consideration experience will be heavily considered when evaluating the proposals.
